DIRECTIONS FROM ALBANY

Northway 87N to Exit 20—once you exit, you will come to a stoplight. Turn left at this light onto Route 9North. A short distance from there you will come to another light. At this light, turn RIGHT onto Route 149, and go to the 3rd light (don't count the yellow blinking light as one of the 3). You will be in the village of Fort Ann, with a Cumberland Farms store on your right. At this light, turn LEFT onto Route 4 North. Stay on Rt. 4N for 4 miles; you will see signs for the junction of Route 22 and you will come to a light. At the light, turn RIGHT onto Route 22 South. You will pass through Comstock, then North Granville, before coming to a blinking yellow light in Middle Granville. At this light, turn LEFT onto Route 22A. Approximately 1500 feet up the road (PAST the brown buildings on your right), make a sharp RIGHT turn and cross over the bridge, then take an immediate LEFT onto Depot Street. Continue on Depot Street, which becomes Fox Road partway up, for approximately 1 mile: our office is on the left side of the road and is Grey/Green in color with a two car garage underneath. Call 518-642-1280 or 518-642-3876 if lost.
